September 2020 - Theme: *What can I do to help support my child through remote learning?*

Date	Topic	Details
9/3	How to attend a zoom meeting and a glimpse into your child's daily schooling experience.	We will take you through a zoom call as this is how we do school with your child. We will help to troubleshoot any problems they may have and also talk about your child's daily schedule and the expectations we have set for them.
9/10	Canvas and your role as an observer	This is our learning management system. We will show you how to check if your student has submitted work, where they can find feedback from their teacher, how they can send a message, and see the resources the teacher has posted to help your child navigate their learning.
9/17	Competency Education and how to see your child's grade (Skyward)	Why we are moving in the direction of assessing their skills, our expectations of how they will grow, and where to find their actual grades in an introduction to Skyward.
9/24	What is Advisory?	Why we designed advisory to help your student and how this can help you as a parent. We will also provide you with more tips to help your student be productive and successful in remote learning
