

RIDGEWOOD Parent University

February 2021: Continued Opportunities for our students

February videos to look out for:

- **Education Pathway:** What opportunities do we have for students interested in pursuing education careers.
- **SAT/Seal of Biliteracy:** When are the tests and what opportunities do they give our students when they take them.
- **Summer School Driver's Ed:** Information about how to register and dates of the program. This is available to any student who is 15 at the time of the permit test.

Remember we have a library of videos...

Every month since September, we have been recording presentations that can help you navigate high school with your student and different ways to cope/ask for help. Please take advantage of viewing these videos on demand by clicking the link on right.

**OPEN TO ALL
9-12th GRADE
FAMILIES**

WHEN:

The videos will be posted each month.

WHERE:

Check out the videos at <https://www.d234.org/community/parents-university/>
