Greetings,

Enclosed in this packet are the policies, guidelines, procedures, rental fees and timelines for the use and rental of Ridgewood High School facilities for 2024-2025, effective July 1, 2024. Also included are four defined classifications for potential renters. These classifications determine the rental fees each organization will be charged for the use of District 234 facilities.

Invoices, as adjusted for actual costs, including adjustments for deposits for final invoices, are due within thirty (30) days of billing.

The following documents are included:

- **Guidelines**
- **Board Policy & Procedures 8:20 – Community Use of School Facilities/Rental of Facilities**

RENTAL OF FACILITIES

The Board of Education recognizes the investment which the community has made in the Ridgewood High School District 234 buildings, grounds, and facilities. The rental policy shall encourage utilization by community groups.

I. Guidelines

- A. School building and grounds may be temporarily used – under such provisions and control as the Board of Education may see fit to impose – for educational, recreational, religious, social and civic activities, and for such other purposes as the Board deems proper. (School Code: Section 8.20-E)
- B. The Board of Education believes that school facilities, grounds, and buildings should be generally available for use by citizens/groups/organizations of the community for permitted purposes, as long as such use does not substantially disrupt or interfere with school activities. “Permitted Purposes” include educational, recreational, religious, social and civic activities, and exclude commercial or political fundraising activities. The Superintendent (or his/her designee) may at any time deny or refuse to grant any application or cancel, without liability, any rental whenever;

The Board of Education or its employees shall not be responsible for any property brought onto its premises by any person or organization.

- D. Rental rates shall be approved by the Board of Education upon recommendation of the Superintendent (or his/her designee), and shall be based on the following categories.

Class I

Non-profit renters representing taxing bodies within District 234 boundaries as well as feeder groups will be charged only for personnel expenditures incurred beyond the normal operation of the school.

A list of feeder groups will be maintained by the Athletic Director. Feeder groups will pay actual personnel costs for facility attendants, custodial services, and security personnel. Entities classified as feeder groups will be subject to a bi-annual review process to maintain their status as a feeder group. The criteria to define a feeder group will be:

- 1) The group must be a non-for-profit organization;
- 2) At least 75% of participants must reside in the District;
- 3) The activity must connect with the school’s mission;
- 4) Fees charged by the group must be affordable or fee reductions or waivers must be offered to provide access regardless of financial ability to pay. Feeder groups shall provide to the School District in writing the participant fees and the criteria for fee reduction and waivers; and
- 5) Appropriate facilities must be available in the District to support the needs of the Feeder group.

Class II

Non-profit renters located within the boundaries of District 234 wishing to conduct activities that are intended to contribute educationally, culturally, religiously, or socially to the community will be charged rates which approximate operating costs, as approved by the Board.

District 234 employees will be charged Class II rates for personal/professional use events, i.e. weddings, graduate classes, showcases, etc. In addition, all employee rentals are subject to all provisions of this procedure.

Class III

In order to protect school property, a custodian must be in attendance at all times the building is in use except when a specific dispensation is given by the Superintendent (or his/her designee). The custodian shall open and close the facilities and be on hand for emergencies.

The Superintendent (or his/her designee) may require persons or organizations using the facilities for public functions to use uniformed security guards and/or school employee supervisors as appropriate for the safety of the public and security of District property. Salaries for such personnel will be paid by the person or organization using the facility.
