Dear Ridgewood Families,

Happy March! Spring is almost here and we are in full swing here at RHS. Spring conferences are quickly approaching. Please know that you do not have to wait for conferences to call if you have questions, concerns, or needs. We are here to help you in any way we can!

Here is what is happening at Ridgewood High School in the next few weeks:

Dates to Remember:

March 16th- Parent Teacher Conference
March 20th -Illinois Science Assessment (ISA) for all Juniors
March 31st- 5Essentials Survey closes!
April 12th -PSAT, SAT and Seal of Biliteracy Testing
May 1st- Freshman Dental Forms Due

5Essentials Survey for Parents

As part of its state-led school improvement efforts, the Illinois State Board of Education mandates that all schools administer the Illinois 5 Essentials survey. I am asking you to take approximately 5-10 minutes to respond to this survey before March 31, 2023.

To complete the parent survey, please visit <https://survey.5-essentials.org/illinois/survey/parent/login/>.

Your feedback is absolutely essential to our continual improvement process at Ridgewood High School. Your survey responses will highlight our strengths and the areas that need support. I'd like to thank you in advance for taking time out of your busy day to assist us with this very important initiative. Should you have questions, please contact Jennifer Tan at jt看@ridgenet.org.

Parent Teacher Conferences

It is time for 2023 Spring Conferences! Due to the positive feedback we heard from families and the increased number in attendance since offering virtual conferences, we will continue to **offer conferences remotely via ZOOM again this year**. RHS families will have the opportunity to meet with students' teachers, counselors, and social workers. Families will log into Skyward Family Access, click on their student's schedule, and choose the teachers, counselors, and social workers they would like to meet with. Step-by-step instructions are at the end of this letter. Here is the date and time of conferences:

Thursday, March 16, 2023
1:00 to 8:00 P.M.

Registration opened February 21st and will close at 8:00 A.M. on March 15th. Once registration closes, you must contact the teacher directly to schedule an appointment. Our staff will email the conference Zoom link directly to families scheduled for conferences on March 15th.

Current student grades will be accessible via our online student information system, Skyward. Please log into Skyward in advance of your conference to review and/or print your student's grades.

Students are welcome and encouraged to participate in the conferences with their parents/guardians and to be an active part of the discussion about their academic progress. If, for any reason, you cannot make an appointment during these times, *please reach out directly to our staff*. Our teachers, counselors, and social workers would be happy to meet with you at a time that works for you. We look forward to talking with you and your student(s) at conferences.

Questions regarding Spring Conferences can be directed to the Division Head of Student Services, Katie Davis, at kdavis@ridgenet.org, or the Assistant Principal, Eric Lasky, at elasky@ridgenet.org.

***Directions of how to sign up for conferences are attached in a separate email home.**

Illinois Science Assessment (ISA)

On Monday, March 20th, Ridgewood High School will administer the ISBE-sponsored Illinois Science Assessment (ISA) to all Juniors. This assessment helps families understand how well students are performing academically and see whether they are on track to succeed in college. The ISA represents Illinois' commitment to preparing all students for college and careers, including in the high-demand science, technology, engineering, and mathematics (STEM) fields. The assessment also satisfies federal accountability requirements.

Important Test Day Information:

- Students will be using their RHS issued iPad for testing, so please make sure to bring your fully charged iPad
- Testing will begin promptly at 8AM and end approximately around 11:30AM in the Field House
- Students are expected to attend classes after testing is completed

If you have questions, please contact Jennifer Tan at 708-697-5548 or jt看@ridgenet.org.

PSAT, SAT, and Seal of Biliteracy Testing

On Wednesday, April 12th, Ridgewood High School will administer the PSAT Suite to Freshmen, Sophomores, and Juniors. There is no school for Seniors and this nonattendance day will not count against your child's attendance record. However, if your Senior has a Not Met (NM) in any class from 2nd semester, they are required to report to the student cafeteria at 8AM. Or, if your student is taking the Seal of Biliteracy test, they will report to Room 234 at 8AM. Once testing is complete, your child is dismissed for the day. Lunch will be served and is optional. If you have questions, please contact Jennifer Tan at jt看@ridgenet.org.

Competency Courses - Grading Reminders

As a reminder, many of our courses use competency grading to show a student's level of proficiency in skills. This means that these courses show an average level of proficiency, shown by a numeric value, rather than a traditional letter grade, to show student's progress in learning. Teachers will enter letter grades at the end of each semester for a student's transcript. **During the semester, please click on the student's FG score in order to see your student's overall percentage in the course out of 100.** For more detailed information, please take a look at our [Competency Grading Overview](#).

Ridgewood High School Parents Club:

Please consider joining the Ridgewood High School Parents Club!! The Mission of the RHS Parents' Club is to enhance the high school experience for the students. The RHS Parents' Club is a diverse group of committed adults who volunteer for this non-profit organization to support social activities and provide opportunities for our children to network and learn from each other. For more information check out the [Ridgewood Parents Club Website Link](#).

Guest Speaker Invitation

Ridgewood received a grant to bring in a guest speaker for our teachers, students, and parents/guardians. We would like to invite you to attend a morning session with our guest speaker, David Garcia, from 8:00 - 8:40 A.M. on Monday, April 17th. David's message will be on motivation through laughter, with a focus on how we can help today's youth navigate our complex world.

David Garcia's Biography:

David is the only 5-language-speaking-motivational-comedian on the planet! David empathizes with diverse students who face challenges because he was once considered an "at-risk student" himself before defying the odds and graduating with a bachelor's degree and then earning his Master's Degree. He has motivated children and mature adults in some of the greatest metropolitan cities of the world, including Los Angeles, New York, São Paulo, Paris, and London. To read more about David Garcia, here is the link to his website: <https://davidewardgarcia.com/>

We look forward to seeing you in the Ridgewood Auditorium on Monday, April 17th from 8:00-8:40 A.M. Please enter the school using door 4 (Auditorium Entrance) between 7:40-8:00 am.
